

Bradbury Metal Tile Roofing Solutions

Part of The Bradbury Group of Companies, Bradbury Metal Tile Roofing Solutions LP specializes in designing and building customized manufacturing equipment for unique metal tile design and production requirements. Bradbury's Metal Tile automated production systems offer ease of operation and shorter production time by allowing you to convert coil into finished products in ONE continuous operation.

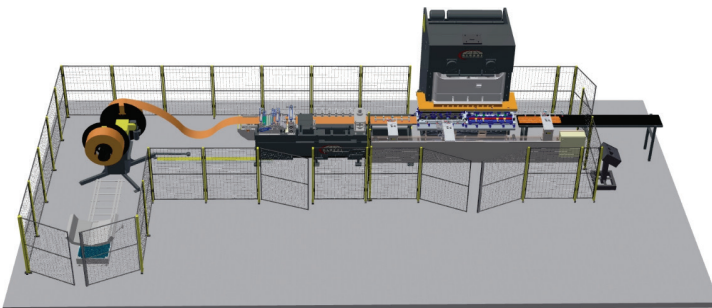

Concept to Commercialization

Go from concept to commercialization with Bradbury Metal Tile Roofing Solutions LP. Let us help you choose the right equipment for your precision-engineered metal tile production.

A manufacturing line is a long-term investment and you need to strike a good balance between immediate affordability and long-term capacity. Bradbury Metal Tile Roofing lines are designed and purpose built for the tile industry and your manufacturing business. The tile line is made from quality engineering materials and is cost effective for producers at every production point; of every size.

Bradbury Metal Tile Roofing Advantage

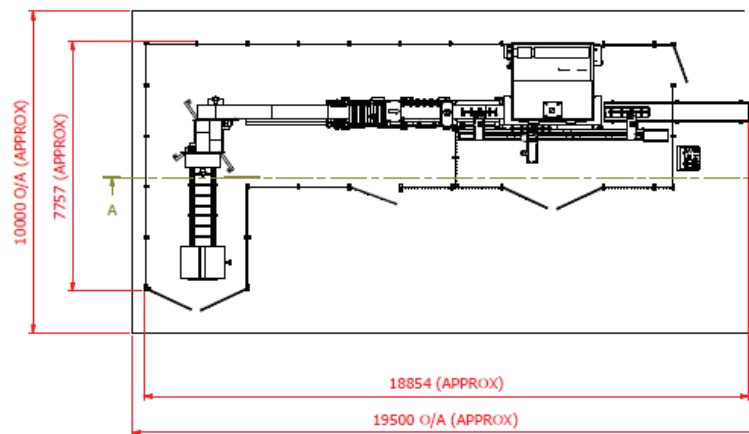

- High quality, twin crank presses giving efficient, stable, and quality production
- Low maintenance
- Easy to operate
- Meets USA ANSI and OSHA standards
- Using the latest in engineering, material, and tooling technology
- Low capital investment option for entry level manufacturing
- Servo driven and robotic tile transfer system
- Production capacity of 200-550 tiles per hour

Metal Tile Designs

The Bradbury Metal Tile Roofing team will assist you in choosing the right Metal Tile design that meets your market requirements. Our engineering design team can create a unique look from original substrates and turn that into an environmentally acceptable and aesthetically pleasing metal tile design. Unique or tile designs can fully replicate asphalt shingles, cedar shakes, stone slate and concrete or clay tiles.

Why Bradbury Metal Tile Roofing Solutions

Our global reach, together with superior quality, craftsmanship and customer service makes the Bradbury Group of Companies the right choice to bring value to your tile manufacturing process. Allow us to provide comprehensive design and build services, offering the best solution to help you maximize productivity and efficiencies.
